- Have achieved a level 2 qualification in the last 12 months (so could currently be on the first year of a level 3 programme having completed a qualification at level 2 within the last 12 months).

## Number by location/organisation

**Capacity for the competition as a whole:** 20 competitors per heat

**Maximum number of entries by location/organisation:** Up to 2 per location and a maximum of 3 per organisation.

## Brief

The competition consists of five activities:

Throughout all activities there should be a dimension of Equality, Diversity and Welsh Language

**Activity 1: Bath a baby**

Individual task: up to 30 minutes

You have started a new job working with a health visitor following NHS guidelines and you are to show and inform a new parent how to bath a newborn baby.  All the equipment will be provided for you.

**Activity 2: Reading a story**

Individual task: up to 15 minutes

You have been asked to read a book during story time to a group of children.

**Activity 3: Plan and create a display board based on a theme of a nursery rhyme of your choice, with an emphasis on literacy or numeracy development.**

Individual task: up to 2 ½ hours

You are a childcare practitioner who has been given the task of creating a display board based on nursery rhymes to develop the children's literacy or numeracy skills. The board will need to be aimed at children aged two to five years and a nursery rhyme book provided on the day. You will need to plan

and create the display board with a literacy or numeracy theme to enhance the children's learning based on their chosen nursery rhyme.

**Activity 4: Plan an activity to help a child with 'Polish' as their first language.**

Individual task: up to 40 minutes

You have a new family of children starting in your work setting. Their first language is Polish. You need to design an activity to help the children to develop their language skills. All equipment will be provided for you.

**Activity 5: Design and create a small world play area for children aged four years to develop their skills across the curricula.**

Individual task: up to 1 hr.

You are a childcare practitioner who has been given the task of designing and creating a small world play area based on the theme of living things, to develop the children's skills across the curricula. The small world play area is designed for children aged three to five years and they will be able to choose for the resources supplied. You will need to design and create the small world play area and develop the children's skills across the curricula.

## Infrastructure List

Childcare equipment will be brought to each heat and a colour printer to be made available by host.
