Competition rules

Competition specific rules

- Contestants will start and finish work as instructed by the judges
- Contestants must respect the safety rules.
- The use of any electrical tool is forbidden. Only professional hand tools shall be used.

Ariennir gan Lywodraeth Cymru
Funded by Welsh Government

- Contestants will manage their time in order to complete the box within the allocated time. It is strongly recommended to perform the assembling and the gluing of the parts before the morning break, so that the contestants may then remove the clamps and complete their work.
- If any defects are found, contestants can have the parts replaced before the beginning of the competition. Two (2) points shall be deducted for any replacements requested once the competition has begun. Furthermore, contestants may only request the replacement of 1 parts maximum.
- Contestants are allowed to use a quick-setting glue.
- The jury will inspect the contestants' toolboxes before the competition. Any tool that give a clear advantage to its user will be removed.
- If during the competition a contestant feels they must leave their work (e.g. medical reasons, toilet break), they will have the time recorded on a 'time out' sheet by a member

Generic competition rules

- Mobile phones to be switched off during competition activity.
- Listening to music via headphones is not permitted during competition activity.
- Any questions during competition activity should be addressed to the competition judging panel.
- Competitors should not communicate with other competitors during competition activity.
- It is the responsibility of each competitor to arrive on time for each competition session. No additional time will be allowed if you arrive late.
- Technical failure of your equipment should be reported immediately to the judging panel. Additional time will be allocated if the fault is beyond the control of the competitor.
